Dear Jesus, You are God's beloved Son and You obey Him completely, even if it meant giving Your life for all of us. Help me to live like You, trusting and obeying the will of the Father through my parents each and every day. Help me increase my faith, that I may obey them quickly, fully, and lovingly. Teach me to obey them for the right reason, which is simply because I love You.

Dear Jesus, You are God's beloved Son and You obey Him completely, even if it meant giving Your life for all of us. Help me to live like You, trusting and obeying the will of the Father through my parents each and every day. Help me increase my faith, that I may obey them quickly, fully, and lovingly.
